EDUCATION

Secondary School- X
JAC Board, 2016
Percentage: 79.2

Senior Secondary- XII
CBSE, 2018
Percentage- 79.2

Bachelor of Technology
BIT Sindri, 2019- 2023
CGPA- 8.83

AIR 63 GATE'MT-24

TECHNICAL SKILLS

- Mechanical Testing
- Chemical Testing
- Material Characterizaion
- Mechanical Behavior of Metals
- Structure and properties of Materials
- Python Programming

LANGUAGE

- Hindi
- English

PROFILE

I am a passionate and motivated person currently pursuing a Master's degree in Materials Engineering at the Indian Institute of Science, Bangalore. I graduated with a B.Tech in Metallurgical Engineering from BIT Sindri. I am eager to contribute effectively to projects and solve challenging problems with a focus on innovation and excellence.

WORK EXPERIENCE

NALCO, Damanjodi, Odisha Jun 2022- July 2022
